Ms. Barker:

Environmental Operations, Inc. is conducting Phase I Environmental Assessment on properties located in Missouri. Under the Freedom of Information Act, we request any information, complaints, or environmental concerns (e.g., RCRA, superfund, air emissions, water emissions, industrial activities, etc.) your agency may have regarding these sites and surrounding properties.

In addition, a general zip code search is a sufficient response to this request. We will notify your office if we need additional information.

We are willing to pay up to \$25 for each site, however, if it goes above this amount, please contact us for approval before proceeding.

PLEASE INCLUDE OUR PROJECT NUMBERS WITH YOUR RESPONSE.

*Gallus Facility
